

Project Objectives

Represent the different cultures of the three sister/partner cities through native plantings, shade structures, and walking paths as well as through an interactive smart phone application.

Educate about local and regional heritage and culture via initiatives, tourism, activities and events as well as historical facts linked by phone app, and as experienced within the gardens.

Celebrate multicultural relationships through unique sculptures and other site features.

Create an outdoor place for people to come together for celebration, education, and learning through a variety of experiential spaces such as an outdoor classroom, amphitheater, a reflective labyrinth, and flexible community organization exhibit areas.

Develop greater awareness and appreciation of other cultures, local heritage, and international relationships.

Enhance aesthetic and functional enjoyment of the Riverfront.

Promote cultural tourism

Support health and wellness through the gardens' proximity to existing natural areas such as the Wisconsin River and the Green Circle Trail

Encompass sustainable design through native plantings, natural materials, and wildlife habitat

Live as an enduring multicultural, multigenerational, fully accessible space as linked to a vibrant community life.
