**What is the Cultural Commons? Why should we support it?**

We are working together to build a space that serves as an interactive experience for all people, which will ultimately establish a greater understanding and connection to our community's past, present, and future multicultural heritage.

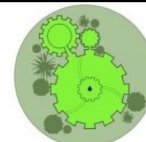

We are creating cultural bonds with Sister/Partner Cities : Estelí, Nicaragua, Gulcz, Poland, Rostov Veliky, Russia, and The Rotary Club of Stevens Point.

For more information please visit [www.spculturalcommons.com](http://www.spculturalcommons.com)

Cultural Commons is a 501 (c) 3 non-profit organization.

Please return this form along with your check made out to Cultural Commons.
